ARCHIVED ISSUE Released at 11:30 AM (CANBERRA TIME) 31/01/2007

This is the first in a series of data cubes and that more will be released progressively with future issues. Only the National Accounts chapter has an associated Data Cube for this issue. We have added the below comment in our Introductory Notes for this month's issue:

"Long time series datacubes for this publication are now provided on the ABS website. Currently only chapter one is provided, however extended time series datacubes will be provided for all chapters over the next two issues."
